

LP 5265 US
Serial No. 10/718,483**REMARKS**

The undersigned representative thanks Examiner Muramoto for contacting her by telephone on June 6, 2006. In the January 25, 2006 Office Action, the Examiner rejected claims 1-4, 6, 8, and 9 over claims 1, 2, 5 and 6 of U.S. Patent 6,782,923 based on non-statutory obviousness-type double patenting. Following the telephone interview with the Examiner, Applicant has agreed to submit a Terminal Disclaimer to obviate this rejection and place the application in condition for allowance.

Claims 1 and 8 have been amended to return these claims to the form in which they were pending when the January 25, 2006 Office Action issued. Claims 1 to 3 and 8 to 10 remain pending and should be allowed.

Applicant herewith submits a Terminal Disclaimer, along with authorization to charge Deposit Account 03-2775 for the \$130 fee.

Conclusion

In view of the foregoing, the rejection should be withdrawn and all pending claims should be allowed.

If prosecution may be further advanced, Examiner is invited to telephone the undersigned to discuss this application.
